TRUSTED, QUALIFIED & LOCAL

BUILDING SAFER WORKPLACES THROUGH EXPERIENCE, CERTIFICATION & REAL-WORLD RESULTS

ABOUT CWT SAFETY & ADVISORY

CWT Safety & Advisory is a locally operated, family-owned business in South-East Melbourne with over two decades of practical HSEQ experience.

Chris combines technical expertise with real-life perspective, offering tailored support to organisations seeking sustainable, compliant safety outcomes.

PAST PERFORMANCES (PROJECTS)

- Delivered compliance, audits, and contractor management across SA, VIC & TAS Bunnings builds, clearing all audit non-conformances ahead of handover.
- Achieved 100% safety audit compliance at VIC Gov Special Development Schools.
- Led safety leadership and drone compliance reporting for ARB & Liberty builds, reducing delays.
- Melbourne Square (\$2.8B) & TEDx Monash: crane ops, rigging, WHS.
- Chisholm TAFE: SME in high-risk safety training.
- Demolition & civil: SWMS, risk, incident response.

TESTIMONIALS

"Chris was an incredible trainer today."

Thoughtful of each person's current experience... straight to the point, patient... helped us build confidence. — *Victoria Hocking at SWA Inspection Services*

"The professionalism Chris brought... his knowledge and skills..."

Complete understanding of safety... happy to recommend Chris. — *Patrick Blythe at Hickory*

"I learnt from Chris to train, and learnt some effective ways to mentor others..."

This has been instrumental in me being an effective trainer and assessor. Can't thank him enough. — *Ben LaBlache, Telco Tech turned Trainer*
